Tim — 2013 plan would destroy native runs
Lawsuit Model did not accurately depict impacts
out of court — re-open the plan
the dept. must admit this sucker is broke.
~~Objection~~ Equitable redux proposal
~~The~~ Need to know the impacts & escapement
un-equitable to sport in the past.
Incentivise commercial by cutting sport
Art. Dip in — send sportsmen home. Over met 2U
farcery from equitabe
Support Nemah

Dave — Land owner on Naselle — Petitioner
tagged 400 below Weir — destine to die.
Surprised by the supporters.
Chadwick did not have a problem w/ opening
sold & proposed for SALE.
Ross — Apriciate intent to achieve goals
need 3/d wk break.
Chum — pain w/o conservation benefit.
pawful to sports need to fix
Naselle & Nemah need open Ness Hatcheries
All H's — 4th H is habitat. DEIS / Discharge
permit — eel grass removal
Maulisa — North Nema
Steve G. — recommendations Lapiere Petition NOR protection landowners
Coho bag 6 adults to oct 15 3 Ad. 2W Oct 16 — Jan 31
Maintain Naselle Production @ 800K.
Nemah surplus 20% Not sound science

1 Chum

Pg 2 of -

Lance G. - 2M comm study
Fishery Specific release mortality Studies
Woody Pearson - N. Nemah - Opposed! No respect for property. No water from fire station to Hatchery - Give them a chance
Bob Lake - Support Steve Gacke statements, need new sport release mortally studies before implementing science plan
2T - only a few boats on many day.
Sports are less than 1% of State
Dave Hamilton - Continuing vision that hatchery fish Not harvested waste is false.
Equitable ~~adjus~~ is not equal
~~if~~ if Equal then
Woody Pearson Jr. - oppose ~~Re~~ expanded Nemal

Allan H - Item 3 of settlement follow as written
Eddi LaPierre - Not to open property - just to allow fishing.
Hatchery St.
Steve Gray - all about fish. Program Badly astray.
Hatchery Revision Practices Act - Board member on the 50 year PLAN.
Sport/Comm conflict of Passage
2-poles 24 hr/day 7d/week
