Dear ~~Dr. Koenings~~, Jeff

Thank you for your participation in the panel discussion hosted by the Washington Wildlife and Recreation Coalition on October 7, 2004. We appreciate the terrific job you did of demonstrating the significance WWRP grant program in providing $408 million in funding for over 650 park and habitat projects in Washington State. The audience was engaged and we had a great discussion.

We appreciate your leadership and dedication as a board member of the Coalition.

Sincerely,

Great job!

Kirk Thomson
President
