ARTHUR R. JOHNSON
Deputy, Region 10

ENDOWMENTS, WILLS and GIFTS COMMITTEE

Assistant Director
Fish Program.

I would like to thank the Department of Fish and Wildlife for all the information and help for so many years. I'm still fishing but not as much, but I'm only 85.

Thanks again for the wonderful job the Dept. of Fish and Wildlife is doing for so many years and help me to fish.

Sincerely

Art Johnson
