

## **Cowlitz River Advisory Group**

### **Guidelines/Ground Rules, adopted 3/8/2018**

**In an effort to establish a positive working relationship and maximize our discussions, we agree to these guidelines:**

- 1. We will think the best of one another (we will not assume negative motives)**
- 2. We will not interrupt (we will be quick to listen and slow to speak)**
- 3. We will tell the truth**
- 4. We will be respectful – looking out for each other's interests; building each other up, not tearing down**
- 5. We strive for full and open disclosure (yes means yes, no means no)**
- 6. We will communicate with each other proactively**
