

WDFW Lands 20/20 Public Review - 01/17/17

<p><b>Project Description</b></p>	<p>This project uses pass-through funding to acquire conservation easements on several properties in the South Puget Sound Area. These properties contain pre-existing habitat for Oregon Spotted Frog.</p>
<p><b>Species /Habitat</b></p>	<ul style="list-style-type: none"> <li>• Oregon Spotted Frog</li> </ul>
<p><b>Project Benefits</b></p>	<p>Provides expanded prairie habitat for Oregon Spotted Frog nesting areas. Protects 95% of unprotected privately owned Oregon spotted frog egg-laying habitat in South Puget Sound and is part of South Puget Sound Working Lands for Wildlife landscape.</p>
