

West Wiser Whatcom County

West Wiser, Whatcom County

- This projects consists of the proposed acquisition of 117 acres near the town of Lynden and would be added to the Whatcom Wildlife Area.

West Wiser, Whatcom County

- This proposed project is to conserve public access, improve freshwater wetland habitat for non-game wetland dependent species, manage over wintering waterfowl habitat, as well as provide opportunity to restore seasonal wetland habitats. The larger watershed is an important waterfowl area near a large winter roost for several species of waterfowl.
- The project provides recreational opportunity for waterfowl hunting and wildlife viewing with an opportunity to develop walking paths.
