

PSHAAC Agenda – Feb 2, 2012
Puget Sound Hatchery Action Advisory Group

NRB Director's Conference Room and video conference with Mill Creek

- 1) Review initial draft of the PSHAAC recommendations for Chinook and STHD utilized in our Co-manager (HAIP) planning.
- 2) Go over draft Puget Sound coho table and start population-level discussion on conservation designations, WSMZ, and programs to focus hatchery reform actions by 2015. Table to follow.
- 3) Summarize next steps for coho and discuss format for evaluation of Puget Sound pink, chum, sockeye populations and hatchery programs.
- 4) Confirm next meeting (March 8) 10 – 4 pm in Director's Conference Room (video conf. will be available).
