1 IHR = below Ice Harbor Dam, Sunday through Tuesday each week.

2 LGO = below Little Goose Dam to Texas Rapids Boat Launch, Thursday through Saturday each week.

3 LGR = below Lower Granite Dam (to Almota Cr), Sunday through Tuesday each week.

4 Clarkst= Clarkston from the Stateline line down to power lines above West Evans Road, Thursday through Saturday each week.

* TAC determined on May 12 that run was coming in slightly less than predicted pre-season, but the updated run allowed a total of = 1,291 to be harvested, instead of 1,309 instead of 1,309 originally predicted. Then on May 27 the run was updated to 230,000 upriver Chinook and allocation was shifted upriver to increase harvest
