Purpose of the proposal and its anticipated effects, including any changes in existing rules: This proposed version of WAC 232-12-071 is similar to the version filed with the original CR-102 on October 20, 2010, as WSR 10-21-119, with a few exceptions. The language in this supplemental filing is clearer and easier to understand. Also, we added a knowledge element to subsection (2)(b), selling, purchasing, or bartering wild animals, game birds, or game fish taken in violation of any law or regulation in any jurisdiction; and to subsection (4), buying, selling, or otherwise exchanging the raw fur or carcass of a wild animal trapped in Washington with a body-gripping trap. This means a person has to know or be aware that he/she is dealing with an unlawfully taken wild animal, game bird, or game fish, or an illegally trapped wild animal, to be in violation of subsections (2)(b) or (4) of this rule. Lastly, we clarified that all of the animal parts referenced in subsection (2)(c) are considered "nonedible" even if they are used for human consumption. This will aid in enforcing the rule.

Reasons supporting proposal: The changes will reduce poaching by prohibiting the sale, purchase, and trade of unlawfully taken wildlife. The changes also will provide clearer guidance to people who want to buy, sell, or trade game-farm raised deer and elk, or who want to contest a denial of a permit to sell, purchase, or trade nonedible parts of wild animals, game birds, or game fish.

Statutory authority for adoption: RCW 77.04.012, 77.12.047, 77.12.590, and 77.12.600

Statute being implemented: RCW 77.04.012, 77.12.047, 77.12.590, and 77.12.600
