ATTACHMENT A – Purpose of rule-making

220-55-040 - Recreational License tag, permit and stamp refund and exchanges

220-55-172 - Reduced Rate Combo deer hunting license

220-55-174 - Reduced Rate Combo elk hunting license

Agency reason for adoption:

This change clarifies and expands the rationale for refunding, exchanging, and replacing licenses and tags. In addition, the Department received several complaints regarding the price of second deer and elk licenses. This change creates discounts for combination licenses and tags.

232-12-047 - Unlawful methods for hunting

232-12-051 - Muzzleloading firearms

232-12-054 - Hunters with Disabilities

232-12-819 – Special Use Permits

232-12-825 - Definition of a person with a disability

232-12-828 - Hunting of game birds and animals by persons with a disability

Agency reason for adoption:

Several rules (WAC 232-12-047, 232-12-051, & 232-12-054) are amended to delete exceptions for hunters with disabilities from equipment regulations. Exceptions for hunters with disabilities are instead incorporated into a new rule (WAC 232-12-819) and an existing rule (WAC 232-12-828). The change authorizes the Department to issue special use permits to provide reasonable accommodations for persons with a disability. This rule change also updates the definition of a hunter with a disability.

232-12-242 - Hunting Restrictions

Agency reason for adoption:

This change reinstates restrictions on night hunting and hound hunting during deer and elk seasons which were inadvertently deleted from the small game seasons last year but not placed in a different section as planned.

A reference to WAC 232-28-285 is removed as it is no longer in effect and a reference to WAC 232-12-243 is replaced with reference to the statute that authorizes public safety cougar removals, RCW 77.15.245.

232-28-248 Special closures and firearm restriction areas

Agency reason for adoption:

Adjustments are made to the boundary of the Columbia River Restricted Hunting Area hunting closure to better reflect conditions on the ground and to prevent trespass on restricted federal lands. This change also provides an exception to allow special permit hunting on the Parker Lake Restricted Hunting Area. In addition, the amendments provide an exception to the modern firearm restriction in the Kittitas firearm restriction area.

232-28-273 2012-2014 Moose seasons and permit quotas

Agency reason for adoption:

Changes are made to increase the current temporal, geographic, and gender scope of the Master Hunter permits in Region 1. The revision allows for Master Hunt permits for any moose identified by WDFW as requiring removal; for a season extending from Aug 1 through the following March 1; and extend to area to include all of GMUs 124, 127, 130, 133, 136, 139, and 142.

232-28-283 2012-2014 Big game and wild turkey auction, raffle, and special incentive permits

Agency reason for adoption:

Adds GMU 172 to 18 Rocky Mountain Bighorn Sheep Raffle permit, and removes GMU 181.

232-28-296 Landowner hunting permits

Agency reason for adoption:

This proposal modifies hunt dates and permit levels on properties enrolled in WDFW's Landowner Hunting Permit (LHP) program for the 2014 hunting season. These sites offer special hunting opportunities to the public through WDFW's special permit drawings, raffles, or selection by the landowner.

ATTACHMENT A – Purpose of rule-making

232-28-337 Elk area descriptions

Agency reason for adoption:

This change modifies the boundary of an existing Elk Area in Region 5 to better address wildlife conflict through special permit elk hunting. The changes also create an Elk Area in Region 1 to facilitate elk special permit hunting on newly acquired wildlife area lands.

232-28-342: 2012-13, 2013-14, and 2014-15 Small game seasons

Agency reason for adoption:

This change retains general season deer hunting opportunity and balances the hunting opportunity between user groups. In addition, the change increases opportunity when deer populations allow, and reduces opportunity when declining deer numbers warrant a change.

232-28-357 2012-2014 Deer general seasons and definitions

Agency reason for adoption:

This change retains general season deer hunting opportunity and balances the hunting opportunity between user groups. In addition, the change increases opportunity when deer populations allow, and reduces opportunity when declining deer numbers warrant a change.

232-28-358 2012-2014 Elk general seasons and definitions

Agency reason for adoption:

This change retains general season deer hunting opportunity and balances the hunting opportunity between user groups. In addition, the change increases opportunity when deer populations allow, and reduces opportunity when declining deer numbers warrant a change.

232-28-359 2014 Deer special permits.

Agency reason for adoption:

The changes to the rule retain special permit deer hunting opportunity for 2014 and balance the hunting opportunity between user groups. In addition, the change increases opportunity when deer populations allow, and reduces opportunity when declining deer numbers warrant a change.

232-28-360 2014 Elk special permits

Agency reason for adoption:

The changes to the rule retain special permit elk hunting opportunity for 2014 and balance the elk special permit hunting opportunity between user groups. In addition, the change increases elk hunting opportunity when elk populations allow, and reduces the opportunity when declining deer numbers warrant a change.

232-28-622 Big horn sheep seasons and permit quotas

Agency reason for adoption:

This change:

- Increases permits in the Asotin herd from zero permits to one permit;
- Increases permits in the Lincoln Cliff herd from one permit to two;
- Decreases permits in the Cleman Mountain herd from ten permits to eight;
- Increases permits in the Umtanum portion of the Umtanum/Selah herd from two permits to three;

232-28-624 Deer area descriptions

Agency reason for adoption:

This change adds a Deer Area in Pend Oreille County that will facilitate some special permit hunting opportunity on the USAF survival training facility where hunting access did not exist before. The change also adds a new Deer Area in Asotin County to facilitate special permit hunting opportunity on newly acquired wildlife area land.

ATTACHMENT B – Statement of Changes

220-55-040 - Recreational License tag, permit and stamp refund and exchanges

220-55-172 - Reduced Rate Combo deer hunting license

220-55-174 - Reduced Rate Combo elk hunting license

Changes, if any, from the text of the proposed rule and reasons for difference:

Section 2(e): Insert the words “out of state” after the word “transferred” in the first sentence and delete the words “or otherwise obligated”. The sentence will read: “A license purchaser who is transferred out of state by the military or their business and unable to use a license can obtain a refund...”

Rationale: The change is necessary to clarify the intent of this exception for a refund for those who could not participate in a hunt for which they purchased a license.

232-12-047 - Unlawful methods for hunting

232-12-051 - Muzzleloading firearms

232-12-054 - Hunters with Disabilities

232-12-819 – Special Use Permits

232-12-825 - Definition of a person with a disability

232-12-828 - Hunting of game birds and animals by persons with a disability

Changes, if any, from the text of the proposed rule and reasons for difference:

WAC 232-12-819 Special Use Permits:

- Under subsection (4), deletes the term “accommodation” and replaces with “modification.” The term accommodation is related to employment and not to equipment used for hunting. This edit was recommended by the Department of Interior.

WAC 232-12-825 Definition of a person with a disability:

- Changes subsection (1) to read: “Person with a disability” means a person who has a permanent physical disability or permanent developmental disability which substantially impairs their ability to participate in recreational activities or access department lands; and...’ This language more accurately describes a person of disability in terms of their needs to participate in multiple types of fish and wildlife related recreational activities.
- Adds the words “every time” after the term “assistive device” under the definition of “Lower extremity disability.” This change better defines the level of disability that meets this definition.

Modifies the definition of an “Upper extremity disability” as follows: “Upper extremity disability” means a person who has a permanent upper extremity impairment and is physically limited in their ability to hold and safely operate a legal hunting or harvesting device; or...’ This language better defines the level of impairment qualifying for this disability.

WAC 232-12-828 Hunting of game birds and animals by persons with a disability:

- Under subsection (3) the last sentence was changed to read: “A designated hunter companion must have a valid hunting license issued by Washington state or another state.” The term “with a disability” is replaced with “companion.” This change corrects a drafting error.

232-12-242 - Hunting Restrictions

Changes, if any, from the text of the proposed rule and reasons for difference:

Adds ‘except rabbit and hares,’ in section (2)(a):

“...It is unlawful to hunt any wildlife at night or wild animals, except rabbits and hares, with dogs (hounds) during the months of September, October, or November in any area open to a modern firearm deer or elk season....”

ATTACHMENT B – Statement of Changes

As previously written, the rule prohibited the use dogs to hunt all wild animals during September, October, and November modern firearm deer and elk seasons. Agency staff raised a concern that rabbit and hare harvest often occur incidental to upland bird hunting with dogs and this fact may create the potential for inadvertent or accidental violations. There is a lower risk that rabbit and hare hunting with dogs would conflict with deer and elk hunting or that it may be used as a way to unlawfully pursue big game with dogs than is present with other wild animals.

232-28-248 Special closures and firearm restriction areas

Changes, if any, from the text of the proposed rule and reasons for difference:

- Under “Restricted Hunting Areas,” deletes subsection (f) pertaining to the Voice of America Recreation Area in Clallam County. The change is necessary because landowners are no longer allowing any kind of hunting access.
- “Under Firearm Restriction Areas, San Juan County,” adds “...and those portions of GMU 410 (Islands) that occur in San Juan County.” This change clarifies that most but not all of GMU 410 occurs in the firearm restriction area of San Juan County.

232-28-273 2012-2014 Moose seasons and permit quotas

Changes, if any, from the text of the proposed rule and reasons for difference:

N/A

232-28-283 2012-2014 Big game and wild turkey auction, raffle, and special incentive permits

Changes, if any, from the text of the proposed rule and reasons for difference:

N/A

232-28-296 Landowner hunting permits

Changes, if any, from the text of the proposed rule and reasons for difference:

N/A

232-28-337 Elk area descriptions

Changes, if any, from the text of the proposed rule and reasons for difference:

- Deletes Elk Area 1014. This elk area is no longer needed to implement elk management actions.
- Under the description of Elk Area 5056, after Grays River Valley, adds “...and Eden Valley...” This change clarifies that the townships, ranges, and sections spelled out in the new boundary modification occur in both the Grays River Valley and the Eden Valley. This change will help avoid confusion.

232-28-342: 2012-13, 2013-14, and 2014-15 Small game seasons

Changes, if any, from the text of the proposed rule and reasons for difference:

N/A

232-28-357 2012-2014 Deer general seasons and definitions

Changes, if any, from the text of the proposed rule and reasons for difference:

- Under “Early Modern Firearm, Eastern Washington,” and exception is added for white-tailed deer, 3 pt. min., Oct. 11-19, after 162 through 186 add (except for Deer Area 1040). This exception allows the Department to implement different hunting season structures inside the Deer Area.
- Under “Early Archery, Eastern Washington,”: white-tailed deer, Sept. 1-26, move GMU 149 from white-tailed deer 3 pt. min., to white-tailed deer 3 pt. min. or antlerless. This change corrects a typographical error.

ATTACHMENT B – Statement of Changes

- Under “Muzzleloader, High Buck Hunt, Sept. 15-25,” Mount Baker is added to the list of wilderness areas open to the High Buck Hunt. This change corrects a typographical error.

Changes, if any, from the text of the proposed rule and reasons for difference:

- Under 3-point GMUs, adds GMU 448 and deletes GMUs 568, 574, and 578. This change updates the list of 3-point GMU changes that were made several years ago.
- Under Late Archery, Elk Area 1010 and GMU 163, Antlerless only, the end date of the season is changed from January 20th to January 30th, 2015. This change corrects a typographical error that was inserted in 2012.
- Under Late Archery, Nov. 26-Dec. 15, 3 pt. min. or antlerless, Elk Area 4601 is added. This change corrects an omission from the original filing.
- Under Early Muzzleloader, Sept. 27-Oct. 10, 3 pt. min. or antlerless, Elk Area 4601 is added. This change corrects an omission from the original filing.

WAC 232-28-358 2012-2014 Elk general seasons and definitions.

It is unlawful to fail to comply with bag, possession, and season limits described below. A violation of this section is punishable under RCW 77.15.410, Unlawful hunting of big game—Penalty.

Bag Limit: One (1) elk per hunter during the license year, except where otherwise permitted by department rule. Any combination of seasons, tags, and permits set by the department will not exceed a maximum of two (2) elk per hunter during the license year.

Hunting Method: Elk hunters must select only one of the hunting methods: Modern firearm, archery, or muzzleloader.

Elk Tag Areas: Elk hunters must choose either Eastern or Western Washington to hunt in and buy the appropriate tag for that area.

Any Bull Elk Seasons: Open only to the taking of elk with visible antlers; bull calves are illegal.

Antler Point: To qualify as an antler point, the point must be at least one inch long, measured on the longest side.

Branch: A branch is defined as any projection off the main antler beam that is at least one inch long, measured on the longest side, and longer than it is wide.

Spike Bull Antler Restrictions: Bull elk taken in spike-only game management units (GMUs) must have at least one antler with no branches originating more than 4 inches above where the antler attaches to the skull.

Spike-only GMUs: 145-154, 162-186, 249, and 336-368.

True Spike - Bull Antler Restrictions: Neither antler of bull elk taken in GMUs 251, and 328-335 can have branching originating more than 4 inches above where the antlers attach to the skull. Under the true-spike restriction, taking an elk that has two points on one side or antler points within one inch of the definitions regarding length of point, or point of origination, is an infraction under RCW 77.15.160. All other types of violations of the true-spike restriction are subject to current penalties and assessments under RCW 77.15.410 and 77.15.420.

True-spike GMUs: 251, 328-335.

3-point Antler Restrictions: Legal bull elk must have at least 3 antler points on one side, with at least 2 antler points above the ear. Eye guards are antler points when they are at least one inch long. Antler restrictions apply to all hunters during any open season.

3-point GMUs: All of Western Washington, except for GMUs 448, 454, 564, (~~568, 574, 578,~~) 652 for archers, 666, 684, and Elk Area 4941.

Applicants must have purchased the proper tag for these hunts. The elk tag prefixes required to apply for each hunt are shown in the following table. Hunters drawn for a special permit hunt must comply with weapon restrictions, dates, and other conditions listed for the hunt. Hunters drawn for a special permit designated "**Any tag**" under the "**Weapon/Tag**" restriction must use equipment consistent with the requirements of their transport tag and license.
