**Emergency Rule Only**

**Effective date of rule:**

**Emergency Rules 10-308**

- Immediately upon filing.
- Later (specify) December 8, 2010

**Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?**

**Purpose:** Amend personal use fishing rules

Repealed:  
 Amended: WAC 232-28-619  
 Suspended:

**Statutory authority for adoption:** RCW 77.12.047 and RCW 77.04.020

**Other authority :**

**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal years 2009, 2010, or 2011, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: Returns of hatchery and natural-origin summer-run steelhead to the upper Columbia River have far exceeded the run criteria of 9,300 counted over Priest Rapids Dam that are required to open a conservation-based fishery under the Endangered Species Act. There is insufficient time to adopt permanent rules.
