EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: Harvestable amounts of sea cucumbers are available in the sea cucumber district listed. Limiting daily landings amounts for harvest in Sea Cucumber District 1 is necessary to ensure that the area harvest quota share amount is not exceeded. It is anticipated that following this harvest opening, the harvest quota share available in the Sea Cucumber District 1 will be exhausted, and that the commercial non-Indian sea cucumber fishery will be closed for the 2011-2012 harvest management period. There is insufficient time to adopt permanent rules.
