EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: Harvestable amounts of red and green sea urchins exist in the areas described. By harvest management agreement, the legal size limits for red sea urchins have changed for the 2012-2013 harvest management period from those listed in the permanent sea urchin regulation. Prohibiting all diving from licensed sea urchin harvest vessels within Sea Urchin District 3 when those vessels have red sea urchin on-board discourages the taking of red urchins from the district and reporting the catch to the adjacent harvest district. Prohibiting transport of urchins from Districts 1 and 2 to other districts will prevent spoiling of product, promote accurate catch accounting, and provide for an orderly fishery. There is insufficient time to adopt permanent rules.

(x) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.

() That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
