**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

**Reasons for this finding:**

This 12-hour opening was included in the impact analysis and set aside as an incentive for compliance with fish-handling rules developed as part of the 2014 Grays Harbor commercial fishery package. Data collected during on-board monitoring of the 2014 Grays Harbor commercial fishery to date indicate that compliance rate is greater than 90 percent by participants of this fishery. As provided in the Concise Explanatory Statement, this additional day of commercial fishing opportunity is being offered. There is insufficient time to adopt permanent rules.
