**EMERGENCY RULE**

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: The section of Tokul Creek addressed in this emergency rule is closed in permanent rules until January 15, 2015, to allow for winter steelhead broodstock collection at the Tokul Creek Hatchery. The Tokul Creek Hatchery facility has met their egg take goals for winter steelhead, making the closure no longer necessary and allowing for expanded fishing opportunity in Tokul Creek. There is insufficient time to adopt permanent rules.
