EMERGENCY RULE

Under RCW 34.05.350 the agency for good cause finds:

- That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.
- That in order to implement the requirements or reductions in appropriations enacted in any budget for fiscal year 2009, 2010, 2011, 2012, or 2013, which necessitates the need for the immediate adoption, amendment, or repeal of a rule, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the fiscal needs or requirements of the agency.

Reasons for this finding: The Marine Area 1 recreational halibut fishery has taken the Pacific halibut quota set aside for the all depth fishery. There is not enough quota remaining for another day. There is sufficient quota set aside to allow fishing in the Marine Area 1 Nearshore Area until further notice. This rule conforms to federal action taken by the National Marine Fisheries Service and the International Pacific Halibut Commission. There is insufficient time to adopt permanent rules.
