5th Annual
**Ocean & River Resources
Fair & Potluck Barbecue**

**Saturday, May 18, 2013
4PM—9PM
UW Olympic National
Resources Center (ONRC)**

Are you interested in programs to improve habitat on your property? Are you involved in a natural resources project you'd like to share?

Join natural resources scientists, project managers, educators, dedicated volunteers and talented potluck chefs who are working to involve the community in resource management activities. View project displays, learn from experts, listen to live bluegrass music, and enjoy the film, *Ocean Frontiers*.
