

Marine Spatial Planning In Washington: Comment Session

September 30, 2010 Westport, WA

© Kathy Greer 2010

Thursday, September 30, 1:00 PM – 4:00 PM
Westport Maritime Museum's McCausland Hall
2201 Westhaven Drive – Westport, WA, 98595

This is your opportunity to provide comments on a draft report and recommendations to the legislature on marine spatial planning. The draft report was developed by an interagency team, the State Ocean Caucus, which is chaired by the Governor's office. The draft report will be released in early September for public comment. The final report is due to the Washington Legislature by December 15, 2010. State agency representatives will be on hand to explain the draft report and listen to your opinions.

Registration required for materials and handouts.
