2012 Fishing Derby Results

PikePalooza I (June 29-July 1, 2012):

- 138 anglers pre-registered electronically
- 70 anglers registered onsite
- Don't have a good estimate total participation due to format. At least 80 people actually fished in the event.
- 81 NP were harvested, over \$4,000 in prizes and cash distributed.
- 33 people registered at least 1 pike, with 14 fish winning the most fish category
- Pike from 286 mm (11 inches) to 1178 mm (46 inches) were harvested with the majority (74%) being 1-2 year olds less than 18 inches.
- No tagged pike were caught, so prizes will roll over to the August 3rd-5th event.

PikePalooza II (August 3-5, 2012):

- 253 registrants (includes online registrants for PikePalooza I & II and in person registrants for PikePalooza I but not II)
- Don't have a good estimate on total participation due to format. At least 35 people checked fish.
- 152 NP were harvested, over \$4,000 in prizes and cash distributed.
- 35 people registered at least 1 pike, with 21 fish winning the most fish category
- Pike from 172 mm (7 inches) to 920 mm (36 inches) were harvested with the majority (84%) being 1-3 year olds less than 22 inches.
- No tagged pike were caught.
