WAC 232-28-337 Deer and elk area descriptions

Supplemental Recommended Adjustments

The following adjustments are proposed since the Code Reviser (CR 102) filing and are NOT included in your notebook language.

Page 15

Under Elk Area 6012 Tri Valley, add the following change:

Elk Area No. 6012 Tri Valley (Grays Harbor and Mason counties): Those portions of GMUs 648 (Wynoochee) and 651 (Satsop) within one mile of Brady-Matlock Road from State Highway 12 north to the junction with Schaefer State Park Road (east Satsop Road) and all lands within one mile of Wynoochee Valley Road from State Highway 12 north to the junction with Cougar Smith Road, and all lands within one mile of Wishkah Valley Road from north Aberdeen city limit to mile post 16 (~~((to the junction with Wishkah East Hoquiam Road))~~) and all lands within 2 miles north of SR 12 between the Satsop River and Schouweiler and Hurd roads and then a line north from the end of Hurd Road to a point 2 miles north of SR 12.

This change slightly expands the elk area to address new damage concerns.
