WAC 232-28-353 2008 Deer special permits

Supplemental Recommended Adjustments

The following adjustments are proposed since the Code Reviser (CR 102) filing and are NOT included in your notebook language.

Page 5

Under “Muzzleloader Only Deer Permit Hunts”:

- Change the date for Naneum B from Nov. 5-11 to Nov. 3-9
- Change the date for Teanaway C from Nov. 5-11 to Nov. 3-9
- Change the date for L.T. Murray B from Nov. 5-11 to Nov. 3-9

These changes will avoid a two-day overlap between modern firearm and muzzleloader seasons.

Page 10

Under “Special Deer Permits – Second Deer Tag,” change the language to read the following:

These permits are only valid when a second license and tag is purchased. Hunters must use the method/weapon listed on their tag. The second deer license and tag type must be the same tag type as the first one. These 2nd deer special permit hunts will ~~((not))~~ affect hunters’ accumulated points. Hunters’ points will be used if drawn for this special permit.

This change resolves an inequity that was brought to the Department’s attention by a constituent.
