

On March 12, 2010, the Commission's marine fish committee met and continued its review of existing Commission Policy Decisions. The committee recommends that the Commission consider rescinding the following four out-dated policies:

1. [C3004](#) - Sea Urchin/Sea Cucumber Management- **rescind**
(all of the areas covered in this policy are in RCW and WAC)
2. [C3006](#) - Aquatic Invertebrate Disease Control- **rescind**
(all of the areas covered in this policy are in RCW and WAC)
3. [C3007](#) - Kelp Import Permits- **rescind**
(all of the areas covered in this policy are in RCW and WAC, in addition there are been no import permit requests in over a decade)
4. [C3014](#) - Ocean Spot Shrimp – **rescind**
(no trawl fishery exists, other issues covered in WAC)

SUGGESTED MOTION LANGUAGE:

"I move to rescind the following Commission Policy Decisions: C-3004, C-3006, C-3007 and C-3014."
