

## Bats (Chiroptera)

(click on common name for further information)

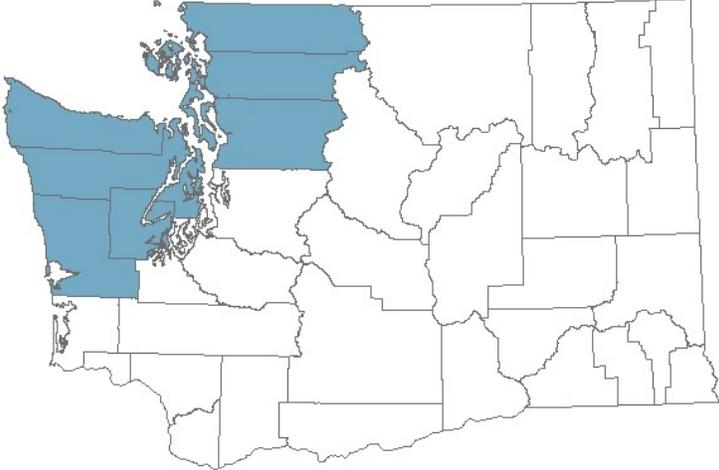

### Common Name

### Scientific Name

<a href="#">Keen's Long-eared Bat</a> formerly Keen's Myotis	<i>Myotis evotis keenii</i> formerly <i>Myotis keenii</i>
<a href="#">Roosting Concentrations of Big-brown Bat, Myotis bats, Pallid Bat</a>	N/A
<a href="#">Townsend's Big-eared Bat</a>	<i>Corynorhinus townsendii</i>

## Keen's Long-eared Bat (formerly Keen's Myotis)

*Myotis evotis keenii* (formerly *Myotis keenii*)

<p><b>Washington Distribution by County*</b></p> 	<p><b>State Status:</b> Candidate <b>Federal Status:</b> None</p>
	<p><b>PHS Species Criteria</b></p> <p>#1, #2</p>
	<p><b>Priority Area</b></p> <p>- Any occurrence</p>
	<p>Online information and guidelines for management of <b>Keen's Long-eared Bat:</b></p> <p><a href="#">WDFW's Living with Wildlife series: Bats</a></p> <p><a href="#">NatureServe Species Report</a></p>

## Roosting concentrations of:

Big-brown Bat (*Eptesicus fuscus*), Myotis bats (*Myotis* spp.), Pallid Bat (*Antrozous pallidus*)

<p><b>Washington Distribution by County*</b></p> 	<p><b>State Status:</b> None <b>Federal Status:</b> None</p>
	<p><b>PHS Species Criteria</b></p> <p>#2</p>
	<p><b>Priority Area</b></p> <p>- Regular concentrations in naturally occurring breeding areas and other communal roosts</p>
	<p>Online information and guidelines for management of <b>Roosting Bat Concentrations:</b></p> <p><a href="#">Management Recommendations for Washington's Priority Species: Mammals</a></p> <p><a href="#">WDFW's Living with Wildlife series: Bats</a></p>

\* Distribution maps show the counties where a species is known to occur in one of its [priority areas](#), as well as the counties where a species is likely to occur in one of its priority areas due to the presence of suitable habitat. Counties that are part of the recovery area for Threatened and Endangered species are also shown as part of a species distribution. Occurrences of a species in other counties are possible as new information becomes available, and maps will be updated as necessary at the beginning of each calendar year. The date shown in the footer identifies when the last update was made to maps found on this page.

# Townsend's Big-eared Bat

*Corynorhinus townsendii*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> Candidate <b>Federal Status:</b> Species of Concern
	<b>PHS Species Criteria</b>  #1, #2
	<b>Priority Area</b>  - Any occurrence
