

## Marine Mammals (Cetacea and Carnivora)

(click on common name for further information)

<b>Common Name</b>	<b>Scientific Name</b>
<a href="#">Blue Whale</a>	<i>Balaenoptera musculus</i>
<a href="#">California Sea Lion</a>	<i>Zalophus californianus</i>
<a href="#">Dall's Porpoise</a>	<i>Phocoenoides dalli</i>
<a href="#">Gray Whale</a>	<i>Eschrichtius robustus</i>
<a href="#">Harbor Seal</a>	<i>Phoca vitulina</i>
<a href="#">Humpback Whale</a>	<i>Megaptera novaeangliae</i>
<a href="#">Killer Whale (Orca)</a>	<i>Orcinus orca</i>
<a href="#">Pacific Harbor Porpoise</a>	<i>Phocoena phocoena</i>
<a href="#">Sea Otter</a>	<i>Enhydra lutris</i>
<a href="#">Sperm Whale</a>	<i>Physeter macrocephalus</i>
<a href="#">Steller (Northern) Sea Lion</a>	<i>Eumetopias jubatus</i>

# Blue Whale

*Balaenoptera musculus*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> Endangered <b>Federal Status:</b> Endangered
	<b>PHS Species Criteria</b> #1, #2
	<b>Priority Area</b> <ul style="list-style-type: none"><li>- Regular concentrations in foraging areas and in migration routes</li></ul>
	Online information and guidelines for management of <b>Blue Whale</b> : <a href="#">NatureServe Species Report</a>

# California Sea Lion

*Zalophus californianus*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> None <b>Federal Status:</b> None
	<b>PHS Species Criteria</b> #2
	<b>Priority Area</b> <ul style="list-style-type: none"><li>- Haulout areas</li></ul>
	Online information and guidelines for management of <b>California Sea Lion</b> : <a href="#">NatureServe Species Report</a>

\* Distribution maps show the counties where a species is known to occur in one of its [priority areas](#), as well as the counties where a species is likely to occur in one of its priority areas due to the presence of suitable habitat. Counties that are part of the recovery area for Threatened and Endangered species are also shown as part of a species distribution. Occurrences of a species in other counties are possible as new information becomes available, and maps will be updated as necessary at the beginning of each calendar year. The date shown in the footer identifies when the last update was made to maps found on this page.

## Dall's Porpoise

*Phocoenoides dalli*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> None <b>Federal Status:</b> None
	<b>PHS Species Criteria</b>  #2
	<b>Priority Area</b>  - Regular concentrations in foraging areas and in migration routes
	Online information and guidelines for management of <b>Dall's Porpoise:</b>  <a href="#">NatureServe Species Report</a>

## Gray Whale

*Eschrichtius robustus*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> Sensitive <b>Federal Status:</b> None
	<b>PHS Species Criteria</b>  #1, #2
	<b>Priority Area</b>  - Any occurrence
	Online information and guidelines for management of <b>Gray Whale:</b>  <a href="#">NatureServe Species Report</a>

\* Distribution maps show the counties where a species is known to occur in one of its [priority areas](#), as well as the counties where a species is likely to occur in one of its priority areas due to the presence of suitable habitat. Counties that are part of the recovery area for Threatened and Endangered species are also shown as part of a species distribution. Occurrences of a species in other counties are possible as new information becomes available, and maps will be updated as necessary at the beginning of each calendar year. The date shown in the footer identifies when the last update was made to maps found on this page.

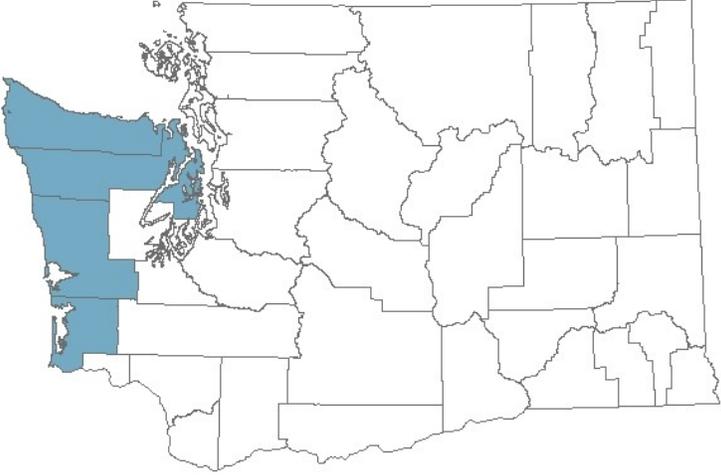

## Harbor Seal

*Phoca vitulina*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> None <b>Federal Status:</b> None
	<b>PHS Species Criteria</b>  #2
	<b>Priority Area</b>  - Haulout areas
	Online information and guidelines for management of <b>Harbor Seal</b> :  <a href="#">NatureServe Species Report</a>

## Humpback Whale

*Megaptera novaeangliae*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> Endangered <b>Federal Status:</b> Endangered
	<b>PHS Species Criteria</b>  #1, #2
	<b>Priority Area</b>  - Regular concentrations in foraging areas and in migration routes
	Online information and guidelines for management of <b>Humpback Whale</b> :  <a href="#">NatureServe Species Report</a>

\* Distribution maps show the counties where a species is known to occur in one of its [priority areas](#), as well as the counties where a species is likely to occur in one of its priority areas due to the presence of suitable habitat. Counties that are part of the recovery area for Threatened and Endangered species are also shown as part of a species distribution. Occurrences of a species in other counties are possible as new information becomes available, and maps will be updated as necessary at the beginning of each calendar year. The date shown in the footer identifies when the last update was made to maps found on this page.

## Killer Whale (Orca)

*Orcinus orca*

<p><b>Washington Distribution by County*</b></p> 	<p><b>State Status:</b> Endangered <b>Federal Status:</b> Endangered</p>
	<p><b>PHS Species Criteria</b></p> <p>#1, #2</p>
	<p><b>Priority Area</b></p> <ul style="list-style-type: none"> <li>- Regular concentrations in foraging areas and in migration routes</li> </ul>
	<p>Online information and guidelines for management of <b>Killer Whale:</b></p> <p><a href="#">Killer Whale Recovery Plan</a></p> <p><a href="#">NatureServe Species Report</a></p>

## Pacific Harbor Porpoise

*Phocoena phocoena*

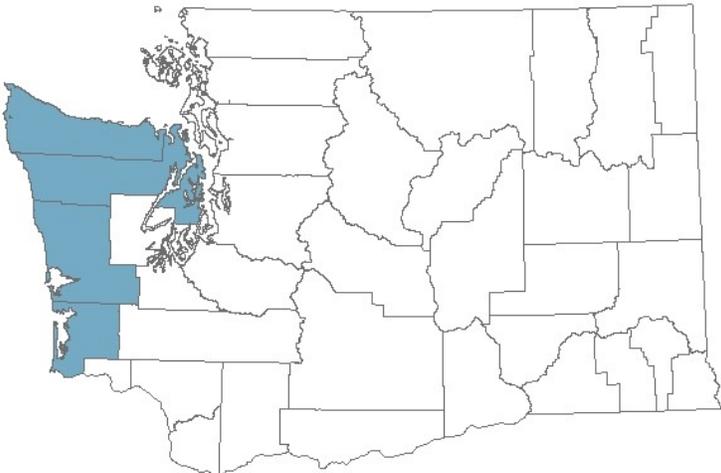

<p><b>Washington Distribution by County*</b></p> 	<p><b>State Status:</b> Candidate <b>Federal Status:</b> None</p>
	<p><b>PHS Species Criteria</b></p> <p>#1, #2</p>
	<p><b>Priority Area</b></p> <ul style="list-style-type: none"> <li>- Regular concentrations in foraging areas and in migration routes</li> </ul>
	<p>Online information and guidelines for management of <b>Pacific Harbor Porpoise:</b></p> <p><a href="#">NatureServe Species Report</a></p>

\* Distribution maps show the counties where a species is known to occur in one of its [priority areas](#), as well as the counties where a species is likely to occur in one of its priority areas due to the presence of suitable habitat. The date shown in the footer identifies when the last update was made to maps found on this page.

**Sea Otter**  
*Enhydra lutris*

<p><b>Washington Distribution by County*</b></p> 	<p><b>State Status:</b> Endangered <b>Federal Status:</b> Species of Concern</p>
	<p><b>PHS Species Criteria</b></p> <p>#1, #2</p>
	<p><b>Priority Area</b></p> <ul style="list-style-type: none"> <li>- Regular concentrations</li> </ul>
	<p>Online information and guidelines for management of <b>Sea Otter:</b></p> <p><a href="#">Sea Otter Recovery Plan</a></p> <p><a href="#">NatureServe Species Report</a></p>

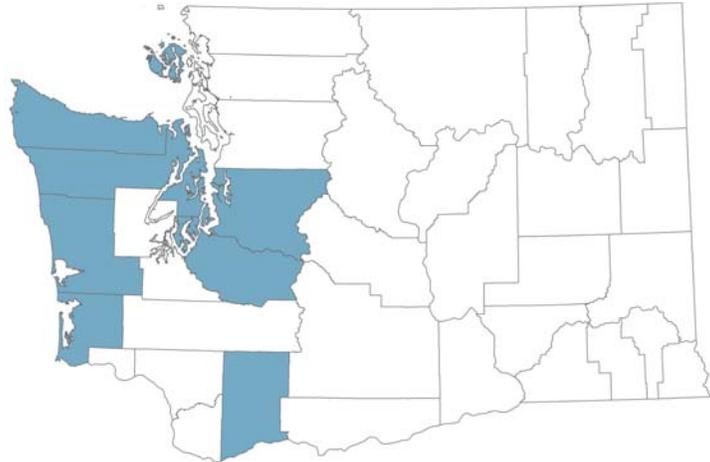

**Sperm Whale**  
*Physeter macrocephalus*

<p><b>Washington Distribution by County*</b></p> 	<p><b>State Status:</b> Endangered <b>Federal Status:</b> Endangered</p>
	<p><b>PHS Species Criteria</b></p> <p>#1, #2</p>
	<p><b>Priority Area</b></p> <ul style="list-style-type: none"> <li>- Regular concentrations in foraging areas and in migration routes</li> </ul>
	<p>Online information and guidelines for management of <b>Sperm Whale:</b></p> <p><a href="#">NatureServe Species Report</a></p>

\* Distribution maps show the counties where a species is known to occur in one of its [priority areas](#), as well as the counties where a species is likely to occur in one of its priority areas due to the presence of suitable habitat. Occurrences of a species in other counties are possible as new information becomes available, and maps will be updated as necessary at the beginning of each calendar year. The date shown in the footer identifies when the last update was made to maps found on this page.

# Steller (Northern) Sea Lion

*Eumetopias jubatus*

<b>Washington Distribution by County*</b> 	<b>State Status:</b> Threatened <b>Federal Status:</b> Threatened
	<b>PHS Species Criteria</b>  #1, #2
	<b>Priority Area</b>  - Haulout areas
	Online information and guidelines for management of <b>Steller (Northern) Sea Lion:</b>  <a href="#">NatureServe Species Report</a>
