

Marine Fish-Shellfish Management
and Catch reporting Areas,
Coastal Waters
(WAC 220-22-410)

Area 59B shall include coastal waters (0-3 miles) northerly of a line projected true west from Cape Alava and west of a line projected from the Bonilla Point light on Vancouver Island to the Tatoosh Island light and then to the most westerly point of Cape Flattery.

Area 58B shall include waters west of a line projected 220° true southwest from the equidistant point between the United States and Canada along the Cape Flattery to Bonilla Point line, north of a line projected true west from Point Grenville and south of Area 58A.

Area 60A-1 shall include waters north of a line projected true west from Point Chehalis (46° 53' 18" N. Latitude) and south of a line projected true west from Point Grenville exclusive of Grays Harbor.

Area 60A-2 shall include waters north of a line projected true west from the Washington-Oregon boundary in the Columbia River and south of a line projected true west from Point Chehalis (46° 53' 18" N. Latitude) exclusive of the Columbia River estuary and Willapa Bay.

Area 61 shall include waters north of latitude 42° 00' N, and south of Area 60A, exclusive of the Columbia River estuary.

Area 57 shall include waters north of latitude 48° 26' N and south of Area 56.

Area 58A shall include waters north of the United States - Canada boundary and south of Area 57.

Area 59A-2 shall include waters east of the 220° true line, south of 47° 40' 30" N. Latitude (Destruction Island), and north of a line projected true west from Point Grenville.

Area 59A-1 shall include waters east of the 220° true line, west of a line from Cape Flattery to Bonilla Point, and north of 47° 40' 30" N. Latitude (Destruction Island) exclusive of coastal waters (0-3 miles) north of a line projected true west from Cape Alava.

Area 60B shall include the waters of Grays Harbor east of a line projected from the outermost end of the north jetty to the outermost end of the south jetty.

Area 60C shall include the saltwater areas of Willapa Bay east of a line from Leadbetter Point to Cape Shoalwater light.

Area 60D shall include waters of the Columbia River east of a line projected from the inshore end of the north jetty in the state of Washington to the knuckle of the south jetty in the state of Oregon, and west of the Megler-Astoria Bridge.

Note: Latitudes shown in parentheses are approximated for the geographic features referenced in the code.
