
COLUMBIA RIVER COMPACT/JOINT STATE ACTION NOTICE

Washington Department of Fish and Wildlife

October 2, 2012

The Joint States met today and took the following actions:

<i>2012 Recreational White Sturgeon Fishery Above Wauna</i>
Rescinded the previously adopted white sturgeon retention season scheduled for October 20-December 31, 2012 in the area from Wauna powerlines upstream to Bonneville Dam including adjacent Washington tributaries.

This action effectively closes the area to white sturgeon retention for the remainder of 2012

Future Hearings:

Compact hearing is scheduled for Monday, October 15 at 1 PM to consider additional non-Indian commercial fisheries.
