
COLUMBIA RIVER COMPACT ACTION NOTICE

Washington Department of Fish and Wildlife

August 31, 2016

NO ACTION TAKEN:

The Compact considered an additional mainstem commercial fishing period for the evening of September 1, but did **NOT** adopt the season. **NO** mainstem commercial gillnet seasons are currently in place.

- The tribes have requested a hearing be scheduled September 14 or September 15 to consider sales of fish in additional treaty commercial fisheries.
