Columbia River Compact Joint State Action Notices Washington Dept. of Fish and Wildlife

September 13, 2004

A Joint-State hearing took place today to review salmon stock status and the ongoing recreational fisheries.

No action was taken today.

However, the states of Washington and Oregon will meet again Wednesday September 15 at 4PM to review salmon run-sizes and the recreational fishery and to consider management action.

It is POSSIBLE the recreational fishery below Bonneville Dam could close to chinook retention as early as Saturday September 18th.
