#### Quick Reporting Rule for Washington Buyers

WDFW has adopted rules that require commercial purchasers to report their landings by a specified time. This rule can be attached to any commercial season that is adopted, but is not in place unless specified. WDFW staff recommends that the "quick reporting required" clause be in place for this fishery. Washington buyers would be required to send a report of their landings to WDFW by 10AM on the day after the purchase date by either:
