**Subject:** Health Impact Assessment Request

I'm a full time resident of Summit Lake and am opposed to the WDFW proposal #9 for Summit Lake. My main concern is that I drink the lake water and additional lake availability will allow for increased pollution to the lake water -- this will negatively impact my health. As such, I formally request that a Health Impact Assessment be done with regard to the WDFW proposal #9 for Summit Lake. Thank you very much for taking the time to consider my request.
