

**2010 Washington State Intent Form for a  
Cooperative Endangered Species Conservation Fund  
Land Acquisition Proposal** *(this form is due June 8, 2009)*

The following organization is interested in submitting a land acquisition proposal to the State of Washington for competition under the federal Cooperative Endangered Species Conservation Fund for federal grant year 2010, and can host a site visit of the target acquisition property during the week of June 15, 2009, if requested by state or federal agencies coordinating this program.

**Organization:**

**Address:**

**Contact:**

**Phone(s):**

**Title:**

**Email:**

**Proposal Title** *(geographic name):*

**This proposal is for a** *(indicate one):*

HCP Land Acquisition grant

Recovery Land Acquisition grant

**Grant proposal sponsorship and administration is sought through Washington State** *(indicate one):*

Department of Fish and Wildlife

Department of Natural Resources

**Federal Grant Amount to be Requested:** \$

**Non-federal Cost Share Amount:** \$

\$

**% Non-federal Cost Share:** %

%

**Total Project Cost:** \$

\$

**Acres to be Purchased:**

**Total Acres to be Conserved** (purchase + match + other):

**Watershed(s):**

**County(ies):**

**Are there willing sellers on the land targeted for purchase?**

**Are there multiple parcels and/or alternate parcels for purchase?**

**Identify DNR, WDFW, or USFWS personnel (name, number) working with you on this proposal, if any.**

In the boxes on page 2 of this form, briefly provide detailed information about your proposed land acquisition project. The following details, from information you supply, may be posted to a state website for public information: project name, county, watershed, primary species to benefit, habitat type, acreage, partners, sponsoring agency, sponsoring organization. Do not submit more text than this 2-page form.

You must also submit 2 maps. One map should show general project location in relation to nearby federal and state lands, and any match property location. A second map should provide parcel-specific location(s) for land proposed for acquisition and for match, and should relate to the general project location map.

**2010 Washington State Intent Form for a  
Cooperative Endangered Species Conservation Fund  
Land Acquisition Proposal**

**Project Description: describe project objectives; what the land acquisition would entail; and the project's expected benefits to fish, wildlife, and the public. Identify what would constitute non-federal match.**

**Project Partners: identify who is involved with the proposed project, and their respective roles.**

**Support: describe what local, individual, regional, community, or group support exists for this project; any known controversy or opposition to this project; and any outreach that has been conducted for this project.**
