

WDFW Help

My wild turkey shotgun will hold only three 3 ½ inch magnum shells but will hold four 2 ¾ inch shells. Will I be cited for not having a plug in my gun in violation of the 3-shell rule?

It is likely you would be cited if you are in possession of more than three 2 ¾ inch shells while in the field at the time of contact--see [WAC 232-12-047](#) for reference.
