

## **Elk area 5052 (Mossyrock)**

**Location:** This area is located around the town of Mossyrock. Its borders consist of Hwy 12 to the north, Long bell rd to the south, Riffe Lake to the east and Winston Creek rd to the west.

**Access:** Much of this property is private residences. Permission must be acquired prior to hunting. Some of the property on the southern side of the area is owned by the timber companies. Permission may be required to gain access. Some of this area is accessible by logging roads. Keep in mind areas behind closed gates are walk in only.

**Terrain:** The northern half of the area is primarily homes, fields, and pastures. It is fairly level and lightly forested. The southern half of the area is heavily forested and the terrain is quite rugged with steep hills and deep valleys. This could be a challenge to hunt do to the limited access.

**Hunting Methods:** There aren't any restrictions in this area. Use extreme care.
