

Reardan Audubon Trail Cover

An ALEA grant through the WDFW

Dean White, Pat Francis, Jim Linstrum,
Jim Hickman, Chris Janett, Elsa Coffman
and David Lundgren (not shown)

Just wanted to thank you again for all the help and time you put into helping us complete our project. Your hard work and dedication even in high winds, rain and hail is greatly appreciated.

The trees and fabric looked great after the last rain storm. Thank you again we really couldn't have done this project without you.

Sincerely,

David Lundgren, Dean White, Elsa Coffman & Sharon Buck
