- New office for Swanson Lakes WLA

Conservation Values

- Shrub-steppe, grassland, aspen
- Greater sage grouse, sharp-tailed grouse

Recreation Values

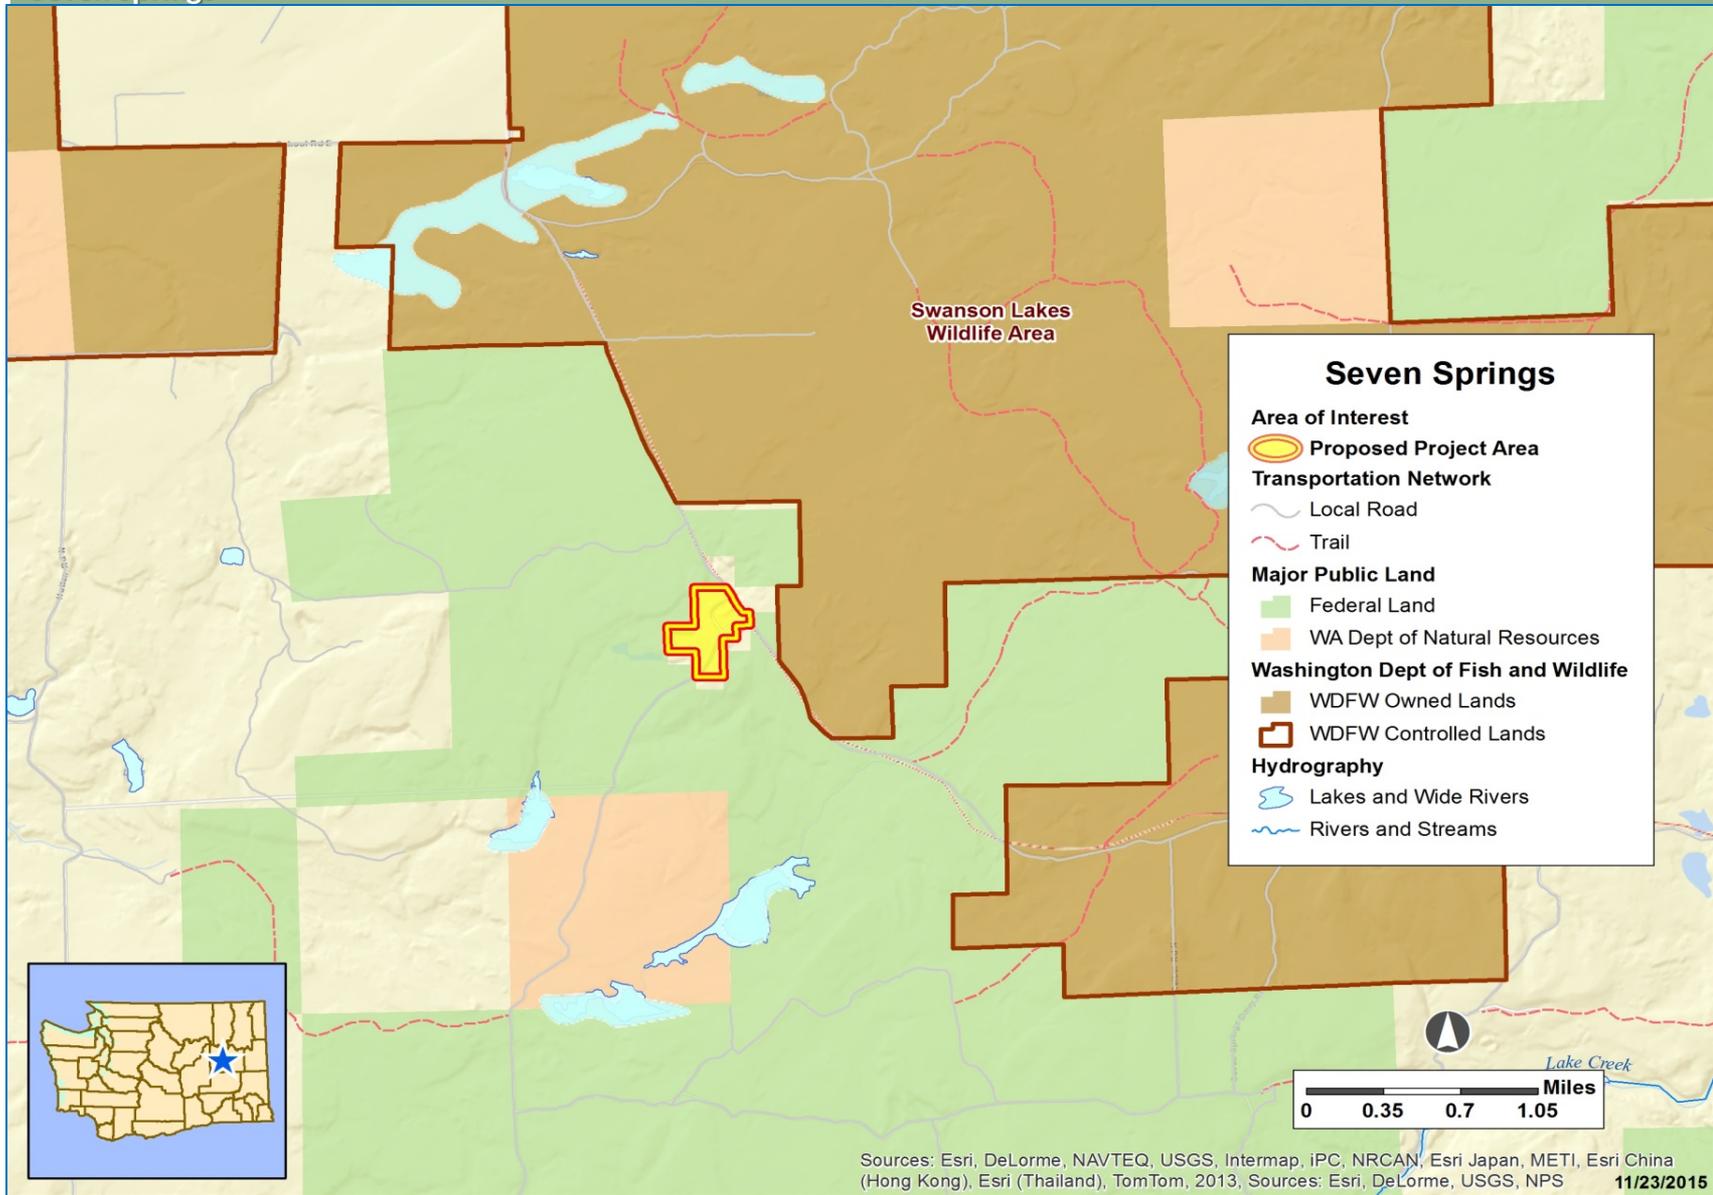

- Upland bird, elk and deer hunting
- Hiking
- Outdoor photography

Seven Springs

Agency	Department of Fish and Wildlife
Estimated Acres	59
Existing Uses	Private residence with a large single-story house, garage, shop and large barn on 2 acres. History of livestock grazing.
Threats	Development
Intended Uses	Replaces Swanson Wildlife Area Headquarters office, station for fire crews and coordinating fire response, recreation and sage grouse habitat.
Project Description	Shrub-steppe, grassland and two small aspen groves. This habitat is valuable for greater sage grouse, and sharp-tailed grouse. The only sage grouse lek in Lincoln County is located within one mile of this property. This parcel is located between WDFW and Bureau of Land Management Twin Lakes Recreation Area.
Partners/Supporters	Bureau of Land Management, Lincoln Conservation District, Spokane Chapter of Audubon Society, Inland NW Land Conservancy
