ADDENDUM TO DETERMINATION OF NONSIGNIFICANCE
DATED: March 20, 1997

Name of DNS: INSTALLATION AND OPERATION OF TEMPORARY AND FIXED FISH TRAPS

Description of DNS: The projects involve the installation and operation of temporary and fixed fish traps at various locations throughout the state. These fish traps are used to collect biological data relative to adult and juvenile fish species composition and abundance. Includes screw or scoop traps and temporary weirs or screen traps. Biological data includes enumeration and tagging activities only. It does not include broodstock activities.

Proponent: Washington Department of Fish and Wildlife, Fish Program, Freshwater Production Evaluation Section, 600 Capitol Way North, Olympia, Washington 98501-1091.
Contact Person: Pat Hanratty

Location of DNS, including street, if any: Statewide DNS. Addendum is located on Evans Creek, tributary to Big Bear Creek, in King County, Washington. See below.

Lead Agency: Washington Department of Fish and Wildlife

The lead agency is providing updated information on this project which may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.

The original environmental checklist dated March 20, 1997 (see attachment), should be modified to reflect the following additions:

Install and operate a temporary juvenile fish trap (screw trap) on Evans creek, tributary to Big Bear Creek, in King County. Target Date for installation is April 15, 2004 with an anticipated duration through June 2004. This fish trap will be used to collect biological data relative to adult and juvenile fish species composition and abundance.

Location of Proposal Including Street if Any:

Evans Creek, King County, SE ¼ Section 06, Township 23 North, Range 06 East. W. M. WRIA 08.0106.

Based on the original environmental checklist and the updated information provided in this addendum, the lead agency has determined that a new threshold determination is not warranted. There is no comment period associated with this SEPA environmental checklist addendum.

Responsible Official: Teresa A. Eturaspe

Position/Title: SEPA/NEPA Coordinator, Regulatory Services Section

Address: 600 Capitol Way North, Olympia, WA 98501
