The lead agency is providing updated information on this project which may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.

The original environmental checklist dated April 29, 2004, should be modified to reflect the following corrections:

- 8a. An orchard property is located adjacent to the site
- 12a. Boating, tubing, swimming, camping and picnicking.
- 12b. Traps will be pulled to the bank every day to allow unrestricted river access through the site.
