Location of DNS, including street, if any: Washington, County; Section 18 , Township 39 North, Range 2East WM Whatcom County

Lead Agency: Washington Department of Fish and Wildlife (WDFW)

WDFW is providing updated information on this project that may be of interest to other agencies or the public. The updated information provided below does not substantially change the analysis of significant impacts in the existing environmental checklist.

The original environmental checklist dated July 22, 1996 , is now modified to reflect the following:

DNS Description of Proposal:

Add: Grass carp may need to be replanted in the future due to predation or fish die-off.

A. BACKGROUND:

#7. Do you have any plans for future additions, expansion, or further activity related to or connected with this proposal? If so explain.

Change “No” to “In addition to the initial stocking, future stocking may be necessary due to predation or fish die-off”.

Based on the original environmental checklist and the updated information provided in this addendum, we have determined that a new threshold determination is not warranted. There is no comment period associated with this SEPA environmental checklist addendum.
