Subject: Abernathy Creek Tidal Restoration Project

Hello Dave and Jeff,

We received your letter expressing your concerns about our Abernathy Creek Tidal Restoration Project. Thank you for your comments on this project. We will meet with you and look forward to resolving these issues to reach a mutually agreed solution. The first date most convenient for our engineering staff is on the afternoon of May 17th. Please let me know if this date will work for you and we will set a time.

Best Regards,

Donna
