

FISH PROGRAM
Grass Carp Stocking Recommendation

Name of Applicant Ivan Komashinskiy

Name of Water Private Pond

Area Fish Biologist Recommendation

Approve Deny

Comments:

Final approval of the Fish Transport Application/Permit cannot be granted until a Determination of Non-Significance has been issued. The site has been visited by a WDFW fish biologist and no additional screening is necessary to prevent outmigration of stocked fish. Only triploid grass carp obtained from a Washington State certified vendor will be approved.
