Bob Zeigler, SEPA/NEPA Coordinator
WA St. Department of Fish & Wildlife
Regulatory Services Section
600 Capitol Way North
Olympia, WA 98501-1091

Dear Mr. Zeigler:

Thank you for the opportunity to comment on the determination of nonsignificance for the Summit Lake Access Area Improvements project located at 449 Summit Lake Shore Road Northwest as proposed by Chris Gourley, WA State Department of Fish & Wildlife (WDFW). The Department of Ecology (Ecology) reviewed the environmental checklist and has the following comment(s):

**SHORELANDS & ENVIRONMENTAL ASSISTANCE:
Alex Callender (360) 407-6167**

It appears that this project may require a Substantial Development permit and must be consistent with the Shoreline Management Act and the local Shoreline Master Program.

TOXICS CLEANUP: Tom Middleton (360) 407-7263

If contamination is suspected, discovered, or occurs during the proposed project, testing of the potentially contaminated media must be conducted. If contamination of soil or groundwater is readily apparent, or is revealed by testing, Ecology must be notified. Contact the Environmental Report Tracking System Coordinator at the Southwest Regional Office at (360) 407-6300. For assistance and information about subsequent cleanup and to identify the type of testing that will be required, contact Thomas Middleton with Ecology's Toxic Cleanup program at the phone number given above.

Ecology's comments are based upon information provided by the lead agency. As such, they may not constitute an exhaustive list of the various authorizations that must be obtained or legal requirements that must be fulfilled in order to carry out the proposed action.

If you have any questions or would like to respond to these comments, please contact the appropriate reviewing staff listed above.
