Subject: RE: DNS 14-005: Yakima Hwy 10 Access - Comment Letter

Thank you for your comments on the DNS 14-005 Yakima Hwy 10 Access project. The project manager on this project, Rusty Gigstead, will contact the office to discuss the geometrics of alternative solutions and designs. An airspace lease and access connection permit will both be obtained before work begins on the project. WDFW appreciates your support of the project and we look forward to working with you.
