Dear Mr. Callendar:

Thank you for your letter of March 21, 2014 regarding the May Field Lake Net Pens project proposed for Mayfield Lake near the Mayfield Dam.

As you know, the Department of Fish and Wildlife (WDFW) is corresponding with County staff regarding the Lewis County Shoreline Master Program (LCSMP) as it applies to this project.

WDFW will follow the LCSMP permit requirements as laid out by Lewis County and looks forward to receiving their guidance.

Sincerely,

A handwritten signature in blue ink that reads "Douglas Mackey".
