

MAP OF LAKE OR POND

Please include distribution of each vegetation type. Irrigation and power canal applicants need only provide estimated acres of each plant type.

Please use the space below to draw a map of your water as close to scale as possible. Also draw in the approximate areas that are covered by each type of plant and properly label each.

Plant coverage estimates should be made in July or August or from your best recollection of that time period.

E- Emergent Plants
 S- Submerged Plants
