Art,

I wanted to follow up with the message that I left you regarding your comment on the SEPA we submitted for the Potlatch State Park Culvert Replacement. We have been working with Duke Stryker, WSDOT Maintenance Superintendent for that area. We will coordinate with WSDOT for the work done in the right of way and may even contract WSDOT to do some of that work. If you have any further questions please let me know.

Thank you,
