

This is to inform you that there will be a Wildlife Control Operator course available on 05 October 2015. The class will be held at the Washington Department of Fish and Wildlife Headquarters building **in Olympia** from 10:00 am to 2:00 pm in room 175 on the first floor.

This class is only for those who are **already in possession** of their Washington State Trappers Certification. Please provide proof of certification upon the day of training. Every person performing WCO outlined activities for compensation must first obtain a Washington Trappers Certification by passing the Trapper Test. Study materials for the Trapper Test can be found at <http://wdfw.wa.gov/publications/pub.php?id=00513>.

If you would like to attend, please provide your information by clicking the link below and filling in the included questions. All reservation requests must be received by 5:00 pm on 19 March 2015.

<https://www.surveymonkey.com/r/7YVX5XV>

You will be asked to include your name, current address, current phone number, and date of birth. For businesses with multiple employees, please enroll each person individually. This information will be used to enter you into the database and for verification purposes. Upon completion of the questionnaire, you will receive a confirmation email.

Each attendee will be required to pay the enrollment fee of fifty dollars (\$50) for certification training/education prior to class attendance. **Payment must be made on the day of training at the Olympia office.** Once a person completes WCO certification training, he or she must apply for the certificate in order to harass, kill, trap, release, or dispatch animals causing damage to private property.

For more information, please visit the WDFW website at [http://wdfw.wa.gov/living/nuisance/how\\_to\\_become\\_wco.html](http://wdfw.wa.gov/living/nuisance/how_to_become_wco.html)
