**Directions :**

From Darrington, take the Sauk Prairie road for several miles to a T-intersection. Turn left onto the 5000 road and go for approximately 3.35 miles to a fork. Turn right and go up and over Prairie Mountain. Stay on the main road for approximately 4 miles as the road works its way down to the river. At the last fork in this road system, turn right and site is on the bench just below clear cut on left.

**Area Overview :**

A short, wall based stream that offers small amounts of over-winter rearing habitat.
