Under Master Hunter Deer Hunts, the following language should replace the language in the *Notes* section: Any legal weapon may be used while hunting the following hunts unless otherwise specified in the hunt notes or required by the Hunt Coordinator. Only one animal may be taken under this Special Permit opportunity. For those Special Permit hunts allowing the purchase of a second tag, hunters can use either their first or second tag but are allowed to kill only one animal under the authorization of the Special Permit. If a hunter uses their general tag and kills and tags an animal under this Special Permit, the second tag may not be used for the general hunting season.

Under Master Hunter Deer Hunts, the 5th column in the table should read 2nd Tag Allowed (not 2nd Tag Required).
