

STRAIT OF JUAN DE FUCA – LYRE WINTER STEELHEAD

STOCK STATUS

1992 STATUS	2002 STATUS
Unknown	Unknown

STOCK STATUS RATING DATA

There are no adequate abundance trend data for Lyre winter steelhead, so their status remains **Unknown** in 2002. Spawning escapement is not monitored. Sport harvest data are available for some years when the fishery was open, but because of low harvest numbers and fisheries closures, sport harvest is no longer adequate to assess stock status.
