Purpose of the proposal and its anticipated effects, including any changes in existing rules:

WAC 220-415-090 2018-2020 Fall black bear hunting seasons and regulations.

The proposed changes provide more recreational hunting opportunity in Eastern Washington by increasing the bag limit to 2 bears per license year. Also the proposed changes increase recreational opportunity in the South Cascades, Okanogan, Northeastern A, Northeastern B, Blue Mountains, and Long Island by opening the season August 1 statewide. GMUs 419, 420, and 421 are being removed because bear hunting opportunities in these GMUs is extremely rare and it may be mis-leading to hunters. The final edit is to remove the 2018 dates as they have already occurred.

Reasons supporting proposal:

WAC 220-415-090 2018-2020 Fall black bear hunting seasons and regulations.

The proposed amendments will simplify rules by creating a statewide bag limit and season opener. Additionally, the proposed amendments will remove emphasis on GMUs where bear harvest is unlikely.
